---

# Speciality

---

As a Mindset Development Specialist, I build critical thinking frameworks to help executives, individuals and organisations to achieve their goals.

## **MINDSET DEVELOPMENT**

Mindset Development is the science and the art of how categories of thinking develop in the unique design of our minds. This course helps individuals and organizations to know how to build the best mindsets for success.

## **LEADERSHIP MINDSET**

The Leadership Mindset Program is an intensive 2-day program, that helps individuals and professionals to build powerful leadership mindsets for success.

The Mindset Development leadership models give them powerful leverage in their leadership.

## **HIGH PERFORMANCE MINDSET**

Develop a HighPerformance Mindset using the Mindset Development Frameworks to perform at optimal levels, i.e. technically, mentally, emotionally and physically.

## **EFFECTIVE COMMUNICATION**

The Articulate Communicator helps individuals with Effective Communication for success in personal and professional environments.

The training and workshops apply various Mindset Development Models.

## **DIVERSITY INCLUSION**

Integrate the Mindset Development Framework to help your organisations to create a functional diversity inclusion ecosystem for optimal organisational success.

## **EQ RELATIONSHIP MINDSET**

Develop a functional emotional structure using Mindset Development Framework to develop self-awareness and social awareness.

Emotional Intelligence is vital for optimal performance, teamwork, and a healthy work environment.

# Testimonials

Here are some comments of some of my private clients and people who have found value in my services as Mindset Development Specialist.

● **Alison Weihe** - Entrepreneur, Speaker and Author  
His Facilitation of our Leadership Team of one of our main companies was masterful and insightful, intuitive and creative, combining the Art and Science of Thinking. I am so honoured to continue to work with a man of this intellect and stature and moral fibre and faith.

● **Mandy Smit** - Regional Manager FNB Digital Sales and Coverage.  
Not only was the training physically and mentally uplifting, but also the most enjoyable team build we have had. We were all challenged, motivated and more committed to our roles after the experience.

● **Vanessa Willemse** - Provincial Digital Learning Co-ordinator  
He is a thorough research expert that presents his content and insights in a way that is exciting, moving and aspirational. If you want to change the way you look at the world, if you want to evolve and be your best you, open yourself up to experience his knowledge, experience and wisdom.

● **Angela Chepn'geno** - Project Manager, Kenya.  
He effectively delivered on the topic of leadership and mindset development at a time that we really needed to adapt to changing times.

● **Ashley Coburn** - Program Assistant, Office of Professional Training Development, USA.  
Podcasts provide listeners with research-based information around mindsets, how they develop and how to address issues to bring positive change.

● **Charlotte Kemp** - Entrepreneur and Futurist.  
He has taken an incredibly painful story, made it resonate with his audience and then extracted the science and the models to show us how to develop resilience to cope with our own challenges in life.
